Gateway Classic Cars has Massive Growth and Acquires Ownership in Tampa Florida

Gateway Classic Cars is currently going through an aggressive expansion phase. Over the past seventeen (17) years the company has opened thirteen (13) showrooms throughout the United States, and continues to operate on a global scale.

With expansion comes opportunity to secure property and expand to even greater measures. The Gateway Classic Cars Tampa location made a debut at the top of the year in 2013 in the 37,000 square feet space at the address of 351 30th Street NE Ruskin, FL 33570.

With the exciting news of expanding the network of Gateway Classic Cars, it's always exciting when we can note that Gateway Classic Cars is doing well enough to expand its operation and become owners of its existing location that has almost doubled in size. Gateway Classic Cars has secured the building at 351 30th Street NE Ruskin, FL 33570 and is under way in the expansion phase of expanding the showroom's footprint. This location will become more of a premiere showroom and tourist destination modeled after the headquarters location in St. Louis MO. With Gateway Classic Cars being classified as a museum and a showroom sales house we are sure to meet the needs of the tourism and business endeavors of the community.

It will be thrilling to have the opportunity to bring a lot more classic, exotic and muscle to "The New Muscle Beach". We are proud of the growth that Gateway Classic Cars has allowed us to expand our lineup from "The Show-Me State" company headquartered in St. Louis MO to expand to the road that leads to where "America's Next Greatest City" begins. With the expansion of the Premiere Tampa Showroom there is a total of 91,000 square feet of which 65,000 square feet will be used for the showroom of classic and exotic cars. The expansion of this location will allow Gateway Classic to be more of a community tourist destination and yield a larger showroom. We are excited to assist with the economic business growth in the Tampa area.

Modeled after the existing (13) showrooms located in **Atlanta, St. Louis, Louisville, Chicago, Indianapolis, Detroit, Nashville, Houston, Milwaukee, Dallas Fort- Worth, Fort Lauderdale, Orlando and Philadelphia soon to follow.** Gateway Classic Cars is experiencing massive growth with expected revenues of \$53 – million in the year of 2016. This growth will strengthen its position as the world's largest classic car sales network.
